

# WELCOME TO TAMPA BAY & NOVI SUMMIT

There are so many amazing things to see and do in Tampa Bay, and if you are a beer lover, then you're going to love this place!

With more than 175 breweries in the area, you can't visit them all but here are a few suggestions below with a map of their locations.

On the second page, we have a few beer recommendations for you too if you decide to visit.

## BEER RECOMMENDATIONS

**Cigar City Brewing** – Jai Alai is probably Tampa’s best-known beer, but it isn’t even one of the best that CCB makes! Try any of the barrel aged stouts or the golden ale and you’ll be glad you did! – *4.5 miles from the Grand Hyatt*

**Woven Water Brewing Company** – Woven Water is a secret that most locals don’t share because they want to keep it for themselves! If you like sours, then this is your place. Try any of the smoothie sours, or better yet, do a flight of them! – *6.9 miles from the Grand Hyatt*

**BarrieHaus Beer Company** – Brewing in true German style is tough to meet the standards of great German beer...and BarrieHaus nails it! All of their stuff is amazing, but the Dunkel, Marzen and Doppelbock are beyond incredible! – *9 miles from the Grand Hyatt*

**Coppertail Brewing Co.** – True beer lovers know Coppertail as their beer is award winning. Whether you go lite with their Kolsch or go for their award winning Tripel, Unholy, you can’t go wrong here. – *10.5 Miles from the Grand Hyatt*

**Ology Brewing Company** – Originally from Tallahassee, Ology opened a location here in Tampa over the last couple of years and has quickly gained a following due to their amazing selection and diversity of beer. Try the Choco Stout or Strawberry Shortcake Sour! – *10 miles from the Grand Hyatt*
